## IMPORTANT INSTRUCTIONS TO NOMINATORS

Proposers may please ensure that the nomination form is duly completed and information as required by the Academy is sent ONLY as soft copies to [ics.correspondence@gmail.com](mailto:ics.correspondence@gmail.com)

- The Nomination is to be signed by **the Fellow of Indian Chemical Society, or Fellow of any of the four National Academies or Head of Institute based personal knowledge** of the scientific or professional attainments of the nominee. The nature of personal knowledge must be specified in the proforma; it could also be attached as a separate document on official letter head and appended to this nomination form at the end. Only a single file should be prepared and named as given before.
- The nominee must be a life member or life fellow, or student member depending on the category of the award. If the candidate is a non-member, a separate membership form must be submitted along with this nomination, otherwise it will be rejected. The office of the Indian Chemical Society will verify if the nominee is a member or not and ask for submitting application for membership.
- The current members of the Council of the Indian Chemical Society including office bearers are not eligible for any awards and should not be nominated.
- The nomination is to be sent duly completed in all respects by the Proposer to the office of the Indian Chemical Society by email so as to reach not later than the date mentioned by midnight. No hard copies are required.
- All entries in the nomination form should be completed. Nominations which are not complete in all respects and not accompanied by a List of Publications (including a list of up to ten most important publications). No correspondence thereafter will be entertained.
- A nomination will remain valid for consideration for 3 years. A renomination can only be made after waiting for a period of 2 calendar years.
- The last date is strictly followed. Nominations received by midnight on the last date of 31<sup>st</sup> July every year, will only be considered. Nominations will be open on 1<sup>st</sup> May every year.
- The decision of the Council of the Indian Chemical Society will be final, and no further correspondence be entertained.
- The President of the Indian Chemical Society will have the right of nominating deserving candidates who will enhance the prestige of the Award if a suitable nomination is not received.
- Not more than TWO nominations can be made by a fellow of ICS or other Academies. Only one nomination should be sent for any given award. However, Head of Institute can nominate up to 5 candidates for different awards.
