## From Convener's Desk

To

All the Fellows of the Indian Chemical Society

and Fellow Chemists of all Academic Institutes

Dear Colleagues,

This is to bring to your kind attention that 59<sup>th</sup> Annual Convention of Chemists 2022, the yearly event of the Indian Chemical Society, is being organized on December 16–18, 2022 in the Department of Chemistry and Chemical Biology, Indian Institute of Technology (ISM), Dhanbad, Jharkhand. The programme consists of Scientific Sessions in Seven different Sections which are (i) Physical Chemistry, (ii) Organic and Biochemistry, (iii) Inorganic Chemistry, (iv) Analytical Chemistry, (v) Environmental Chemistry, (vi) Industrial and Applied Chemistry: Materials and Catalysis, (viii) Chemical Engineering and Green Technology. The Society intends particularly to encourage the budding young chemists of our country by organizing special award sessions to accommodate the contributions of the young chemists. Lifetime Achievement Awardees, Endowment Awardees, Senior Scientists of the country and abroad will join along with Young Scientists of the country in this Convention.

We believe that the Convention would provide an effective platform for exchange of thoughts among the participating chemists which would generate new ideas and open up new fields of research.

We earnestly hope that chemists from our country and abroad will participate in this Convention to make it a grand success.

The relevant information regarding the Convention will be furnished in the sequel.

With regards

Yours sincerely,

Professor Chittaranjan Sinha

Honorary Secretary

Indian Chemical Society
