

National Seminar on

Analytical Chemistry in Pharmaceutical Industry

**INDIA'S
CENTURY OF
CHEMISTRY**

Organized by
Indian Chemical Society, Kolkata

Venue

**Auditorium of Meghnad Saha Bhavan
University College of Science & Technology
92, A P C Road, Kolkata - 700 009**

Date: July 05 & 06, 2024

Registration link: <https://forms.gle/qEc9GjXawajQCpX86>

Email ID: symposiumics@gmail.com

Contact: 8697304884

All correspondence in connection with the Seminar may kindly be made at : ***symposiumics@gmail.com***

We have much pleasure in informing you that the Indian Chemical Society, one of the oldest learned bodies of our national pride, established on May 09, 1924, with Acharya Prafulla Chandra Ray, the doyen of chemical sciences in India, as its first President, is celebrating its centennial year in a befitting manner by organizing several programs in Kolkata as well as other important places of our country throughout the year. As a part of the centennial celebration, the Indian Chemical Society is going to organize a two-day National Seminar on “Analytical Chemistry in Pharmaceutical Industry”.

Chemistry plays an extremely important role in the advancement and development of modern medicine in the pharmaceutical industry. Chemistry is also playing its vital role in assessing the drug’s composition, purity and safety for meeting the quality standard as mentioned in the official monograph of the Pharmacopeia.

The major objectives of the conference are:

- To provide a platform for researchers to share their research findings, best practices, and experiences
- To discuss the latest trends and breakthrough in drug development, including drug formulation, delivery systems etc.
- To discuss the impact of government policies, pricing strategies, and healthcare reforms on the pharmaceutical industry and drug manufacturing
- To provide ample opportunities for attendees for networking, forming new professional connections and collaborations

The topics for invited papers/ posters are as follows:

- Analytical Tools
- Formulation Technologies
- Advanced Drug Delivery Systems
- Separation Technologies
- Drug Discovery and Screening
- Nano-materials
- Toxicological Studies of drugs

The Seminar comprises few invited lectures from Academic Institutions and Industries, oral/poster presentation and a workshop for analytical instruments.

- Last date of submission of Abstract : 1st July, 2024
- All abstracts to be submitted through symposiumics@gmail.com
- Participants are requested to fill up the Registration Form (<https://forms.gle/qEc9GjXawajQCpX86>) for participation
- Last date of registration : 2nd July, 2024.
- Registration Fees:
 - Rs. 1000/- + 18% GST for students including research scholars
 - Rs. 1500/- + 18% GST for faculty members
 - Rs. 2500/- + 18% GST for Industry personnel
 - Diamond Sponsor: Rs. 1,00,000/-
 - Golden Sponsor: Rs. 75,000/-
 - Silver Sponsor: Rs. 50,000/-
