**INDIA'S
CENTURY OF
CHEMISTRY**

APPLICATION FOR INSTITUTIONAL MEMBERSHIP

Membership No.
(Office)

Please read the following instructions carefully before filling information in the application.

1. Colleges/institutes/universities teaching chemistry courses are encouraged to join the Indian Chemical Society for the benefit of the stake holders and in the interest of chemical sciences. ICS is the oldest professional society in India.
2. This word file can be typed with the signature of the authorized signatory.
3. For online submission of application, please make the payment online and write the transaction details in the space provided. Payment must be made in full. No application will be considered without full payment of the fees.
4. Make a PDF file and send it by email to the office. Mention in the subject the name of the College and application for institutional membership.
5. Admission to membership is approved by the Council and its decision is final.
6. If hand-written, use block letters.
7. If you are using a Word file delete whatever is not required. If the form is filled in ink, strike out it whatever is irrelevant.
8. ICS will use the address for correspondence to send documents. Otherwise all correspondence will be done by email.
9. Institutions must subscribe to the Journal of the Indian Chemical Society which will be published by Elsevier, The Netherlands, a very reputed publisher, starting from 2021 and will be part of the Science Direct. The back issues will be freely available to through Science Direct.
