

One Day National Webinar
on
**Advancement of Chemistry at 21st
Century**

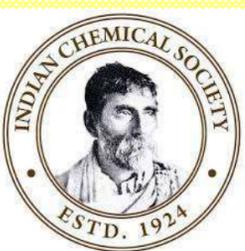

2nd October, 2021
Time:-4:00 P.M.

Platform: Microsoft teams
Free Online Registration

Organized by

Department of Chemistry
Raja Narendra Lal Khan Women's
College (Autonomous)
Midnapore, West Bengal, INDIA
<https://rnlkwc.ac.in>

In collaboration with
Indian Chemical Society (ICS)

About the Webinar

Raja Narendra Lal Khan Women's College [Autonomous] is situated in the Junglemahal area of Kankabati Gram Panchayat, Paschim Medinipur district of West Bengal. Recently, the college has been ranked among 150 top colleges in India by NIRF due to its academic excellence and overall ambience. The Chemistry department of this college started its journey from 1960 with intermediate and B.Sc. general course. Later Chemistry Honors course had been introduced in 2002 and from the current year the department shall also offer masters degree courses (MSc). Apart from academic excellence, this institution which has been established surrounding the historical Gope palace, residence of the king of Narajole had association with eminent scholars and notable personalities. Raja Narendra Lal Khan and his son Raja Debendra Lal Khan had hosted luminaries like Mahatma Gandhi, Netaji Subhas Chandra Bose, Deshbandu Chittaranjan Das, Pandit Jawaharlal Nehru, Smt. Kamala Nehru, Smt. Indira Gandhi, etc. on different occasions. Eminent scholars like Acharya Prafulla Chandra Ray, Father of Indian Chemistry & Founder of Modern Teaching and Research in Chemistry in India spent a month long time in the Palace. Department of Chemistry of this institution arranges various seminars to celebrate the birth anniversaries of these prominent personalities.

This time, department of Chemistry is going to organize one day national webinar in collaboration with Indian Chemical Society to commemorate the birth anniversary of Mahatma Gandhi and celebrate the institution's rich history of academic excellence. The goal of this webinar is to orient the student fraternity about the rich academic and social history of the institution and to motivate them about the fascinating field of chemistry.

PROF. SAMARESH BHATTACHARYA
Professor in Chemistry
Department of Chemistry
Jadavpur University
Kolkata 700032
Topic: "Flavors of Chemistry"

PROF. CHITTARANJAN SINHA
Professor in Chemistry
Department of Chemistry
Jadavpur University
Kolkata 700032
**Topic: "Organic-Inorganic Hybrid Materials
: An Integrated Platform for Sustainable
Applications"**

PROF. MODHU SUDAN MAJI
Associate Professor in Chemistry
Department of Chemistry
IIT Kharagpur
Kharagpur 721302
**Topic: "Chemistry: An Ocean of
Opportunities"**

Procedure of Registration:

Please click on the mentioned Registration Link. After submission of Registration Form, a WhatsApp Group Link will be displayed on the screen. Please click on the WhatsApp Group Link to join in the Webinar for further communication. All the information regarding the Webinar will be provided to the participants via WhatsApp Group only.

Organizing Committee

Patron

Dr Jayasree Laha
Principal, Raja NL Khan Women's College
(Autonomous)

Convenor

Dr. Mrinal Kanti Paira
Associate Prof & H.O.D., Dept. of Chemistry,

Jt. Convenors

Dr. Sukla Chakladar
Associate Prof., Dept. of Chemistry

Dr. Nimai Bar

Assistant Prof., Dept. of Chemistry

Secretary

Dr. Sangeeta Roy Chaudhuri
SACT-1, Dept. of Chemistry

Members

**Mr. Debnath Mondal, Mr. Gurupada Manna, Mr.
Swadesh Pattanayek, Smt. Josia Maji, Mr. Ranjit
Pal.**
