APPLICATION FOR LIFE FELLOWSHIP

Membership No. (Office)

Please read the instructions and eligibility criteria on page 5 before filling information in the application.

1. This word file can be typed with the signature of the applicant. The fellowship is for life.
2. The names and complete addresses including email and mobile number (if any) of the proposer and seconder should be mentioned if their signatures could not be obtained. In that case, write they have agreed to support.
3. For online submission of application, make the payment in appropriate currency (depending on affiliation address) online or give DD number and write the transaction details in the space provided. Payment must be made in full otherwise the application will be treated invalid.
4. While uploading the signed form on the website or sending by email, a c.c. should be marked to them. The office will contact them for verification of their support.
5. Make a PDF file and send it by email to the office. Mention in the subject your name and category of membership.
6. Admission to membership is made by the Council and its decision is final.
7. If hand-written, use block letters and furnish documentary evidence of all the information.
8. Attach your CV including employment record, list of publications, etc. and use more pages if the space is insufficient.
9. Only life fellowship or membership is accepted by the Society and for members wishing to be upgraded there will be fresh fee which will be revised from time to time.
10. If you are using a Word file delete whatever is not required. If the form is filled in ink, strike out it.
11. ICS will use the address for correspondence to send documents. Otherwise all correspondence will be done by email.
12. The Journal of Indian Chemical Society will be published by Elsevier from 2021 and all members of different type are required to subscribe to it. It will be part of the Science Direct. The back issues will be freely available through Science Direct.
