

Notice

The esteemed fellows of the Indian Chemical Society who have recently been adjudged by the Stanford University, California, USA as the top two percent of the Scientists in the world, in their respective fields of research will be felicitated by the President of the Society, Professor G.D. Yadav at the inaugural session of the ensuing 57th Annual Convention of Chemists to be held on December 26, 2020. To make the list of these fellows comprehensive and complete, they are requested to kindly record their names by e-mail (indi3478@dataone.in; ics.correspondence@gmail.com) with the office of the Indian Chemical Society to avoid any possible inadvertent omission of some names.
